

# Azuma Announcement Pack

By Wrightline Simulation

## Introduction:

Thank you for purchasing the announcement software for the Class 800/801 Azuma units from Wrightline Simulation! This document contains instructions for installing the software; the routes supported; the announcement codes with stopping patterns and a list of the scenarios included.

## Installation:

To install the plugin, follow the instructions below:

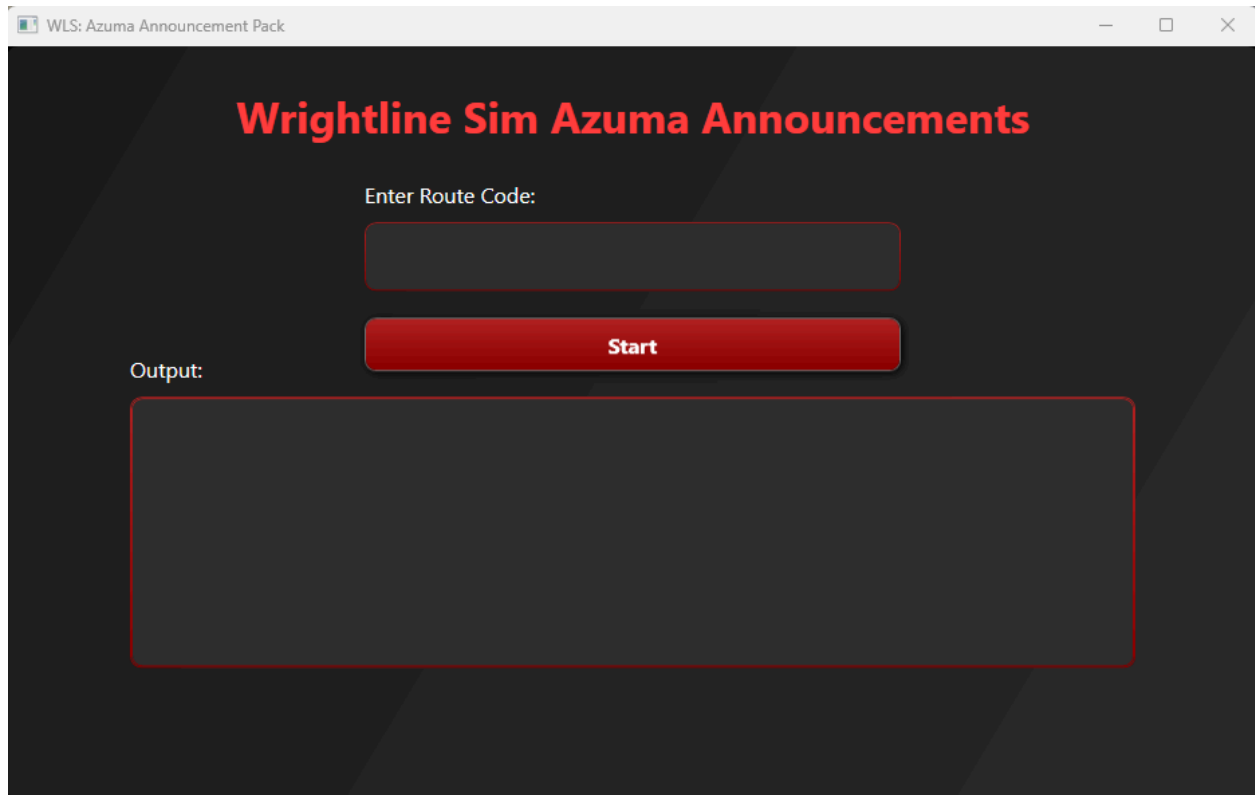

- 1) After downloading the zip file from your email account, extract it to a temporary location;
- 2) After extraction, copy the *Content* and *plugins* folders into your Railworks directory:
  - a) If you don't know where this is:
    - Open Steam and click *Library*;
    - Right click on *Train Simulator Classic 2024*;
    - Hover over *Manage* and click *Browse local files*;
    - Copy and paste the *Assets* and *plugin* folders into the folder that just opened.
- 3) Go into your *plugins/announce/WLS/Azuma* folder and double click *WLS\_Azuma\_AnnouncementPack* and this will load the announcements plugin (do not run as Administrator);
- 4) Download and install the branding patch on the product page to make sure the announcement audio plays.

## Routes Supported:

- ATS Kings Cross to Kings Lynn (and Cambridge to Peterborough for divers);
- DTG ECML South;
- ATS Leeds Lines Merge;
- ATS ECML Merge (Kings X to Edinburgh);
- ATS Leeds Lines Phase 2;
- Just Trains Midland Mainline;
- DPS North East England;
- DPS ECML Northeast;
- DTG Fife Circle;
- DTG WCML North;
- ATS Network ScotEast.

## Using the software:

After you've installed and launched the software, you will be presented with this screen:

To get the announcements working, make sure your train's destination is correct and enter your four-digit route code (listed below) into the box near the top of the screen. If all is well, you should see *Processing completed or cancelled* in the Output window.

# Route codes:

The calling patterns currently supported by the pack are listed below (if there are any missing, feel free to get in touch).
